April 2011, Boston

**“We've never
spoken to a
librarian
before.
We've never
met anyone
like you.”**

Q & A Session

where to begin...?

WHY ARCHIVE?

ACCOUNTABILITY

Archives collect evidence that can hold those in power accountable.

ACCESSIBILITY

Archives make the rich record of our movements accessible. We can use them to ensure transparency, generate discussion, and enable direct action.

SELF-DETERMINATION

We define our own movements. We need to create and maintain our own historical record.

EDUCATION

Today's videos, flyers, web-pages, and signs are material for tomorrow's skill-shares, classes, and mobilizations.

CONTINUITY

Just as past movements inspire us, new activists will learn from the experiences we document.

Created by Activist Archivists in collaboration with the OWS archives working group.

New

The 2014 National Agenda for Digital Stewardship is [now available!](#)

Our Mission

The mission of the National Digital Stewardship Alliance is to establish, maintain, and advance the capacity to preserve our nation's digital resources for the benefit of present and future generations.

Our Work

Members collaborate to preserve access to our national digital heritage. The NDSA accomplishes its goals through working groups with strategic direction from the Coordinating Committee and support from the Secretariat.

The NDSA has established five Working Groups focusing on the following areas of digital stewardship: Content; Standards and Practices; Infrastructure; Innovation; and Outreach.

Content

selection and acquisition
of digital collections

Standards

digital formats and best
practices

Infrastructure

development and
maintenance of tools

Innovation

cutting edge research
and development

Outreach

relationships and
messaging
